MANAGER'S OFFER

If I cannot pay the total amount on registration I, **MARÍA CORTEZ** agree to make payments on a weekly basis for the course to be paid in full by the fourth week of the program. I acknowledge that I will have until every Friday of the first fourth weeks of the program to make payments to complete the remaining balance. If payment is not made by the last business day of each week, then it is my responsibility to make a payment within the first three business days of the following week. If a payment is not made, I am informed that this may mean the impossibility of continuing the course.

Likewise, I acknowledge that the total amount of the down payment balance has been modified by the office manager to adjust it to my financial needs. Nevertheless, I understand that if I don't pay the full amount of \$1000 by the first day of class, I won't be able to start the current course. This will cause me to be transferred to the next class available along with the balance that I have already paid.

I understand the consequences that will be brought against me if this contract is violated. Consequences could include inability to progress or complete the program until all outstanding amounts are paid, account being turned over to collection agency and/or prosecution in a small claims court. Upon default, I agree to pay any fees and costs that HITEP may incur in collecting my balance owed as well as a competitive interest rate on the amount owed.

Total amount owed (beginning balance)	\$2000
Modified down payment	\$300

Payment Date	Payment Amount	Balance
02/02/2024	300	1700

If there is any reason I cannot make payments on the stipulated date, I must have a valid reason, that must be authorized by the office manager.

The above plan does not include the State Test Fee \$ 165.00 (to be paid directly to CREDENTIALIA for exam application) nor the License Fee of one (1) \$35.00 money order which will be submitted with the DOH application in before the final week of the Program
